Introducing our new logo

frame Care

We always find a solution.

The only constant is change!

Ten years on, we have decided to bring Frame Care into the future by modernizing our logo and shorten our name. Future invoices and statements will have a new look, and we hope you like it as much as we do.

Introducing Newsletter

Another change we have made is introducing a regular newsletter. We will be e-mailing information about our services and any new services every month. If you prefer not to receive the e-mails, just let us know

Have you missed us?

Make sure you have our new number on speed dial!

Over two years ago we moved away from home. Finally grown up, we got our own workshop with a brand new phone number.

We have had the old number redirected to our new number, but have decided it is time to let it go, so the old number will no longer work.
